

100% LIVESTOCK FINANCE

We provide the capital. You do what you do best.

Do you need a quick and straightforward way to fund your purchase of livestock, from a company that knows exactly what you need to do your job?

ARE YOU...

Looking to expand your operation, but lack the funds to do so?

Keen to work with an agrifinance specialist who understands the industry?

Wanting to maximise your profits in a simple, stress-free process?

If so, StockCo's 100% livestock agrifinance can make it happen.

At StockCo, we fund 100% of livestock purchases for our customers, then let them take care of their business and decision-making like they normally would – including when they buy and sell.

HOW IT WORKS

01

WE PROVIDE THE CAPITAL TO PURCHASE YOUR LIVESTOCK AND USE ONLY THE LIVESTOCK AS SECURITY – REDUCING THE RISK FOR YOU.

03

WHEN YOU DECIDE TO SELL, PROCEEDS FROM THE SALE COME TO US AND, ONCE THE PURCHASE PRICE AND ACCRUED INTEREST IS DEDUCTED, THE PROFIT'S PAID DIRECTLY TO YOU.

02

WHILST WE RETAIN TITLE OF THE LIVESTOCK, YOU HAVE THE FREEDOM TO RUN YOUR OPERATION HOWEVER YOU SEE FIT.

100% LIVESTOCK SPECIALISTS

At StockCo we only fund livestock – not real estate. Not equipment. Just livestock. We're true livestock specialists, so you can be sure you're supported by a company that understands the unique demands of your industry.

TWENTY YEARS OF EXCELLENCE

StockCo has provided agrifinance for over twenty years, and understands the unique demands of the Australian livestock industry. With an approval process that's significantly quicker than that of other lenders, we have you ready to enter the market sooner.
