

MAXIMISE THE PROFITS FROM YOUR LIVESTOCK WITH A STOCK ADVANCE

ARE YOU...

Not ready to market your livestock but your business needs a cash injection?

Wanting to expand in response to favourable conditions, but lack the capital to do so?

Making grain and livestock marketing decisions based on your cashflow rather than market dynamics?

If so, we can help you advance cash against your livestock to put you back in charge of your success.

At StockCo, we understand the unique demands of livestock ownership. If you find yourself needing to make sales decisions based on your cashflow situation rather than for your long-term, financial success, we can help.

We understand the value of your livestock. StockCo provides cash advances against your existing livestock, giving you the flexibility to market your livestock when you want.

REAP THE BENEFITS OF STOCKCO'S STOCK ADVANCE

Bring your sales proceeds forward to meet an immediate need.

Have the flexibility to act when the conditions are right.

Make profit-based decisions about your marketing.

HOW IT WORKS

01

WE WORK WITH YOU TO ASSESS THE CURRENT MARKET VALUE OF YOUR LIVESTOCK.

03

ONCE THE LIVESTOCK ARE SOLD, THE CASH ADVANCED TO YOU BY STOCKCO AND ACCRUED INTEREST ARE DEDUCTED, WITH THE PROFIT PAID TO YOU.

02

WE ADVANCE CASH FROM YOUR LIVESTOCK - IMPROVING YOUR CASHFLOW AND GIVING YOU THE FLEXIBILITY TO MAXIMISE YOUR PROFITS.

100% LIVESTOCK SPECIALISTS

At StockCo we only fund livestock – not real estate. Not equipment. Just livestock. We're true livestock specialists, so you can be sure you're supported by a company that understands the unique demands of your industry.

TWENTY YEARS OF EXCELLENCE

StockCo has provided agrifinance for over twenty years, and understands the unique demands of the Australian livestock industry. With an approval process that's swift and simple, we have you ready to enter the market sooner.
